

One-Time Compliance Report for Dental Dischargers

This form is being issued by your control authority, the Madison Metropolitan Sewerage District, as a one-time compliance report required by *Effluent Limitations Guidelines and Standards for the Dental Office Category* ("Dental Amalgam Rule"), 40 CFR 441.50. Learn more about this rule at https://www.epa.gov/eg/dental-effluent-guidelines.

Dental dischargers whose first discharge to a POTW occurs after July 14, 2017 are considered "new sources", and must be in compliance with standards set forth immediately and submit a one-time compliance report certifying such within 90 days after first discharge to a publicly owned treatment works. Please send completed form to:

Madison Metropolitan Sewerage District ATTN: Pollution Prevention, Dental Certifications 1610 Moorland Rd. Madison, WI 53713

This form should be made available for inspection in either physical or electronic form. Retain a copy of this form as long as this facility is in operation, or until ownership is transferred. Upon transfer of ownership, the new owner must submit a new One-Time Compliance Report no later than 90 days after the transfer.

d. Facility Contact: (name)				
(Phone)	(Email)			
e. Name of Owner:				
6.11				
f. Name of Operator(s), if different from owner:	•			

2. Applicability

40 CFR part 441 applies to dental dischargers, meaning, "a facility where the practice of dentistry is performed, including, but not limited to, institutions, permanent or temporary offices, clinics, home offices, and facilities owned and operated by Federal, state or local governments, that discharges wastewater to a publicly owned treatment works."

Dental facilities that exclusively practice one or more of the following dental specialties: Oral pathology, oral and maxillofacial radiology, oral and maxillofacial surgery, orthodontics, periodontics, or prosthodontics are exempt from this rule; mobile dental units; and dental dischargers that do not discharge any amalgam process wastewater to a treatment plant (those which collect all dental amalgam process wastewater for transfer to a Centralized Waste Treatment facility), are exempt from the rule.

Please select one of the following:

☐ This fac	ility is exempt for the following reason (check one):
0	it exclusively practices a dental specialty including: Oral pathology, oral and maxillofacial radiology, oral and maxillofacial surgery, orthodontics, periodontics, or prosthodontics
0	it is a mobile unit
0	it discharges wastewater to a septic tank, not a treatment plant
_	all dental wastes are discharged to a holding tank or similar device for transfer to a Central Waste Treatment Facility to 5. Certification Statement on p. 4
	ility is a dental discharger subject to this rule and it does not handle (place nove) any dental amalgam except in limited emergency or unplanned nces.
→ Skip	to 5. Certification Statement on p. 4

☐ This facility is a dental discharger subject to this rule (40 CFR Part 441), which handles
