

An aerial photograph of a wastewater treatment plant. The image shows several large, circular aeration tanks with metal walkways on top. There are several industrial buildings, including a large rectangular one on the left and several smaller ones in the center and right. In the background, there are three large, dome-shaped storage tanks. The entire scene is overlaid with a semi-transparent blue filter. The text "September Operations Report" is centered in the middle of the image in a white, bold, sans-serif font.
