

# TOSS YOUR TAMPONS!

Period products, tampons, pads & wipes belong in the garbage, not toilets.

*Why? You'll help:*

*avoid  
toilet  
overflows*

*stop  
damage to  
plumbing  
& pipes*

*reduce  
pollution in  
waterways*

*save  
animals from  
plastics*

See what to flush  
(and what not to)
